archmodels vol.1

2005

Have you ever lost your race with time doing visualizations? Have you ever been embarrassed of unfinished renders, spending all night on the modeling process, instead of rendering? If you are an architect, and if you need to work fast but with the highest precision, this is the thing for you. Archmodels volume 1 gives you

more than 100 professional, highly detailed objects for architectural visualizations. Enhance your scenes with perfectly modeled modern chairs, beds, tables, couches, and armchairs. Why waste costly time for making something that you can have from the best at Evermotion?
